

Thomas Panagiotou

Updated January 20, 2026

Email: thompana@econ.auth.gr **Alt:** thomas.panagiotou@gmail.com

Phone: +30 693 673 0119

Location: Thessaloniki, Greece

Google Scholar: [\[GS\]](#)

ORCID: [0000-0002-3631-9676](#)

ResearcherID: [IQS-7154-2023](#)

Scopus Author ID: 58648519900

Research Interests Econometrics; Macroeconomics; Financial Economics; Applied Econometrics; Economic Networks; Growth & Development; Environmental and Energy Economics

Academic Appointments **Lecturer in Economics** 2024–present

Mediterranean College – University of Derby in Greece (Thessaloniki, Greece)

Teaching Assistant 2022–2025

Aristotle University of Thessaloniki (Thessaloniki, Greece)

Researcher 2012–2013

European University Institute, Department of Economics (Florence, Italy)

Education **Ph.D. in Economics** Jan 2026

Aristotle University of Thessaloniki (Thessaloniki, Greece)

Dissertation: *Applied Econometric Issues Regarding Sectoral Economic Performance and Economic Growth*

Supervisor: Professor Konstantinos Katrakyidis

Committee: Theodore Panagiotidis; Dimitrios Psaltopoulos

M.Res. in Economics 2013

European University Institute (Florence, Italy)

M.Sc. in Economics 2012

University of Macedonia (Thessaloniki, Greece)

MBA in Financial Management 2011

University of Macedonia (Thessaloniki, Greece)

B.Sc. in Economics 2012

University of Macedonia (Thessaloniki, Greece)

B.Sc. in Military Science 2003

Hellenic Army Academy (Athens, Greece)

Publications [1] **Do tourism, economic complexity and globalization affect economic growth?** [\[PDF\]](#)

Thomas Panagiotou

Economics and Business Letters, 12(3): 213–230, 2023. DOI: [10.17811/eb.12.3.2023.213-230](#)

Under
Review

Tax Structure, Network Effects, and Income Inequality in the European Union: An Empirical Assessment

— with A. Karakotsios. Economic Modelling. Status: Under review. Submitted: Nov 2025.

Investigating the role of technological structure on economic growth. Does the knowledge network matter?

— with C. Katrakylidis & N. Varsakelis. Economic Modelling (AMEF 2025 Special Issue), Status: Under review. Submitted: Oct 2025.

Re-examining the traditional U-shape environmental policies: New evidence incorporating the role of economic complexity, globalization, renewable energy and environmental regulations from a panel of 25 European countries

— with D. Dimitriadis & C. Katrakylidis. Applied Economics. Status: Under review. Submitted: Sep 2025.

Exploring asymmetric and regime-dependent effects of financial development, political stability, globalization, ecological footprint, and climate vulnerability on economic growth: New evidence from panel-data analysis

— with C. Katrakylidis & G. Panagiotou. Journal of Economic Asymmetries (Special Issue: Monetary Policy and Financial Stability in an Asymmetric World). Status: Under review. Submitted: Sep 2025.

Crime, Institutions, and Well-Being: Thresholds, Asymmetries, and Non-Linear Dynamics in Cross-Country Panels

— with N. Kroupis, C. Katrakylidis & A. Karakotsios. Studies in Nonlinear Dynamics & Econometrics. Status: Under review. Submitted: Oct 2025.

Modelling the long-term linkages between economic growth, financial development and financial globalization: Do energy consumption and environmental degradation matter?

— with C. Katrakylidis. Economic Change and Restructuring. Manuscript ID: ECOP-D-25-00684. Status: Under review. Submitted: Mar 2025.

Working
Papers

A Dynamic Model of Productivity Growth through Technology Network Diffusion

— Thomas Panagiotou, C. Katrakylidis, N. Varsakelis. [Working Paper].

Do the Technological Structures and Productivities Converge? Evidence from Alternative Convergence Approaches

— with C. Katrakylidis & N. Varsakelis. [Working Paper].

Do the Tax System Structures in the EU Converge?

— with A. Karakotsios & C. Katrakylidis. [Working Paper].

Okun's Law: What More Is to Say About This Relationship?

— with Theodore Panagiotidis. [Working Paper].

Is Tourism Sector Complex? An Investigation Between Tourism and Economic Complexity

— with Theodore Panagiotidis. [Working Paper].

Does Crime Actually Pay? Evidence from Network and Spatial Panel Data Models

— with C. Katrakylidis, N. Kroupis & A. Karakotsios. [Working Paper].

Awards	Greek State Scholarship (IKY) – 1st in MSc Economics entry exams & graduation (2010–2012)	
	Greek State Scholarship (IKY) for Excellent Academic Performance in BSc Economics (2009–2010, 2010–2011)	
	Greek State Scholarship–EUI Research Scholarship (2012–2013)	
Teaching	University of Derby in Greece – Mediterranean College	
	Quantitative Skills for Business – Fall 2024	
	Data Analysis – Fall 2024	
	Applied Intermediate Macroeconomics – Spring 2025	
	Econometrics – Fall 2025	
	Applied Economics Project – Fall 2025; Spring 2026	
	Business Analytics for Strategic Decision Making – Spring 2026	
	Aristotle University of Thessaloniki	
	Advanced Econometrics – M.Sc. in Economics (Teaching Assistant), 2022–2025	
	Topics in Econometrics (Panel Data Analysis) – M.Sc. in Economics (Teaching Assistant), 2022–2025	
	Financial Econometrics – B.Sc. in Economics (Teaching Assistant), 2022–2025	
Non-Academic Experience	Senior Investigator	2018–present
	Regional Economic Crime Unit (S.D.O.E.) of Macedonia, Hellenic Ministry of Finance (Thessaloniki, Greece)	
	Economist / Fiscal Analyst	2017–2018
